Meets In FLC

Faith Builders is a diverse group seeking to dig deeper into the Bible to discover what God truly wants to communicate with the goal of having our lives changed in light of these truths. The class is made up of singles, widows, divorcees, marrieds, and those with young to adult children. Alternating between reading materials and Right Now Media, we study a variety of topics. We are currently studying the book of Matthew.

FISH

Leader: Sharon Brostad
sharon_brostad@yahoo.com
Meets Upstairs, 203

The FISH class is a group of young adults with children in grade school or younger. We enjoy parenting and life application studies, often with videos. We regularly pray for each other and participate in church wide missions programs, such as Upward, school supply drives, VBA, and sponsoring children for Christmas.

Our upcoming study is *The Good Book* by Kyle Idleman. If you have wanted to start or reclaim a practice of reading the Bible daily, this is a great opportunity. There is a participant guide to use Sundays, an option to purchase a 5 day/week devotion, and an optional kids book to begin Family Devotion. Over the course of 8 sessions, pastors Deron Spoo and Kyle Idleman will visit the most salient themes about God in the Bible. At the center of the series stands God, and each theme will focus on who He is in relationship to His created order.

PATHFINDERS

Leader: Mike and Marilyn Young
mwyoung@copper.net
Meets in Annex, Rm. 302

This group of all ages conducts a weekly roundtable discussion of Old and New Testaments. Members of the group meet regularly for fellowship and service. We utilize *Standard Lesson Quarterly* each Sunday morning to guide our discussions and study of the Bible. This quarterly publication follows the Uniform Series, a 6-year plan for reading and studying the Bible. By participating in the Uniform Series, a believer will be given help in knowing the content of the Bible, understanding its message, and responding to that message by living a life of faith and love.

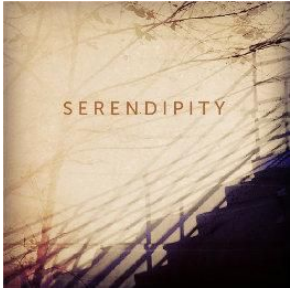

REAL

Leader: Justin Gregg
lmjlgregg@gmail.com
Meets in Drama Room, by stage in FLC

Geared towards young adults, whether they are working or in school, married or single, home on break or living on their own. This class explores how to be in this world, but not of this world, through introspection and the condition of the American Church.

Take a transforming journey in authentic discipleship. As the pastor of a large and wealthy congregation, David Platt began to see a discrepancy between the reality of his Church and the way Jesus said His followers lived. In *Radical: Taking Back Your Faith from the American Dream*, Platt examines how American Christianity has manipulated the gospel to fit our cultural preferences and challenges readers to rediscover the path.

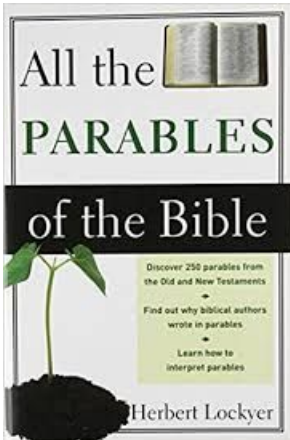

SERENDIPITY

SOJOURNERS

Leader: Roger Tatman

rogertatman@fuse.net

Meets outside FLC, 115

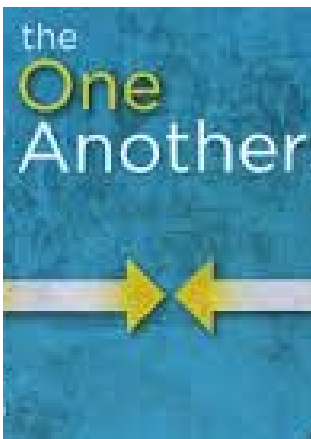

Our group consists largely of spiritually mature members who participate in in-depth discussion, centered on Biblically-based lessons. We encourage one another in faith development and support each other through prayer. We are currently studying, *All the Parables of the Bible* by Herbert Lockyer. This monumental work is a comprehensive survey of the uses of parabolic illustration and the instruction in the whole of the Bible, from Genesis to Revelation. This remarkable book will open your eyes to the Bible's powerful, cover-to-cover use of stories and images to portray spiritual truth.

WOMEN in FAITH

Leader: Karen Varney

candkvarney79@gmail.com

Meets outside Sanctuary, 108

A loving, caring and active group of women, young and old, who are seeking a closer relationship with the Lord. We serve regularly around the community, through PowerSource meal serving, God's Bounty, the church garden, and more.

We are beginning *The One Anothers* by Dr. Tony Evans. In it, we will examine how in our individualistic society it is easy to lose sight of the fact that Christians are bonded together in a relationship of unity as members of one another (Romans 12:5). In fact, so critical is this relationship that our horizontal fellowship with the family of God even influences our vertical fellowship with the Father. In this life-changing teaching series by Dr. Tony Evans, he explores the benefits, blessings and power of the living out the "one-anothers" as found in Scripture.
