## Connecting Groups – Fall 2018

Our connecting groups give us a chance to meet others where they are and give us the opportunity to develop relationships and, ultimately, disciples, much as Jesus did when he met the woman at the well or the fishermen on their boat. Many of our groups are open to the community and bringing a friend along is highly encouraged! While most meet at Bethany, some do meet out in the community.

### Is there a cost?

If there are class materials such as a book, each member is responsible to pay for their materials. The price listed in the description is for the current study, if applicable. If meeting offsite, each participant pays for their own food or fee. Additionally, some groups might offer optional childcare for a small fee. If you find the cost of any group to be prohibitive, please contact the small group leader with interest and express your concern.

### What about childcare?

Groups that have the green “K” icon offer childcare or are kid friendly groups. Your group leader will provide additional details prior to your first meeting.

### What do the icons mean?

We offer several groups that are specific to different needs. Look for the icons to locate these specific group types!

## Griefshare

Leader: Elsie Biddle & Dennis Whitten  
[grandelsie@aol.com](mailto:grandelsie@aol.com)

Meets Sundays, 6-8p in Annex, Rm. 302, beginning August 26

GriefShare is for people grieving the death of a family member or friend. This can be a confusing time when you feel isolated and have many questions about things you've never faced before. GriefShare groups meet weekly to help you face these challenges and move toward rebuilding your life. Each GriefShare session has three distinct elements: video seminar with experts, support group discussion with focus, personal study and reflection. You are welcome to begin attending the GriefShare group at any session. Each is "self-contained," so you do not have to attend in sequence. You will find encouragement and help whenever you begin. We also offer a "Surviving the Holidays" series through the months of November and December, recognizing the additional emotions and stress that arises during the holiday season. A optional donation of \$30 helps to cover the cost of workbooks.

## cAncer Sisters

Leader: Elsie Biddle & Patty Grasty  
[grandelsie@aol.com](mailto:grandelsie@aol.com)

Meets on quarterly, Tuesday, 7pm. Rm. 108

For the past 10 years, the cANCER support group has helped both the ladies of Bethany as well as those in the community with their struggles in dealing with cancer and the resulting treatments. We are a caring and sharing group of sisters, united by our faith in our Lord and Savior Jesus Christ. We believe in the power of God's healing love and we know that with certainty and without fear that God will heal us either here or in His kingdom. We share a time of collective as well as individual prayer, plus a devotion and time of fellowship at each meeting. We have helped a cANCER support group form in Alabama and provide for the needs of each other in between meetings, from comforting gifts to hospital visits.
